

Residential Energy Consultant – Boston, MA

CLEARresult is seeking passionate, results-driven individuals to promote energy efficiency in a rapidly advancing, highly-competitive industry. Residential Energy Consultants perform comprehensive Mass Save Home Energy Assessments of residential homes, build and maintain customer relationships, and cultivate energy efficiency upgrade opportunities within customers' homes. The Residential Energy Consultants will support a territory within the Northshore area.

Primary Responsibilities:

- Thorough assessments of residential homes from foundation to roof, focusing on: thermal envelope, HVAC and water heating, appliances, lighting and electronics, and health and safety
- Installation of energy-saving measures such as LED light bulbs, thermostats and water fittings
- Data collection and reporting using comprehensive energy modeling software
- Weatherization job specification, sales, and workplan diagramming
- Identification and promotion of all program-eligible energy efficiency upgrade opportunities
- Homeowner education and full life cycle relationship and project management

Requirements:

- An engaging personality and an eagerness to learn
- Interest in energy efficiency, building science, residential construction or similar
- Bachelor's Degree preferred. High school diploma and relevant experience also acceptable
- BPI certification is a plus
- A reliable vehicle with room for equipment and inventory, as well as secure home storage space
- Willingness to thrive in a fast-paced culture with room for career growth

Compensation

- Base + Commission
- Competitive benefits offerings including: health, dental, vision, 401k, Paid Time Off
