

BPI Energy Auditor Position

Job Summary:

Performs Energy Audits for the NYSERDA Weatherization Program to ensure client's homes are efficient for long term energy savings and sustainability. Assigns crews to complete scheduled work projects for the Empower/NYSERDA Programs. Assists in the daily operations of the company's weatherization programs.

Major Duties:

- Coordinate on-site work of weatherization Crew Chiefs & laborers while providing technical assistance. Ensure work standards meet the minimums set forth in the Standard Work System (SWS).
- Schedule customers for energy audits and perform audits in accordance with guidelines set by the NYSERDA Program.
- Obtain and maintain the following certifications: BPI Building Analyst and Heating Professional.
- Observe, analyze and evaluate homes using BPI standards based on appropriate building science techniques.
- Educate clients on ways to save energy within their homes.

- **Requirements: Please send cover letter along with a resume.**

- BPI certification as an Auditor in the fields of Envelope, Building Analyst and Heating. We are willing to train candidates who meet requirements and have experience in a similar field.
- Associate degree in related field is preferred.
- Supervisory experience in a building construction or engineering environment.
- Working knowledge of modeling software such as TREAT or Emp Calc or similar.
- Utilize math skills and carpentry knowledge to evaluate and solve problems.
- Knowledge of various HVAC systems including hydronic heating systems, steam heating systems, and forced air heating systems.
- Electrical knowledge helpful but not required.
- Excellent interpersonal skills and the ability to effectively communicate with people of diverse social and economic backgrounds.
- A clean, valid New York State driver's license.

Position offers \$17.00 per hour only if candidate has all necessary BPI certifications listed above. Non-certified candidates will be offered a lesser starting rate with the expectation of obtaining all certifications.

Benefits:

- Paid Vacation and Sick Time

About Us:

C & R Housing is an independent contractor that performs energy audits and insulates homes. We provide weatherization services to NYSERDA, community-based organizations and homeowners. We also rehab homes which involves the installation of new windows, doors, remodeling kitchens, bathrooms, porches, decks and minor heating and plumbing repairs.
