

Energy Auditor

Energy Savers Inc. is the oldest Building Performance Contractor in CNY. We are currently in search of a BPI certified professional to join our team. The Energy Auditor will conduct residential assessments to identify energy efficiency improvement opportunities.

The wellbeing of our clients is number one, so it is important to have a strong focus on quality assurance and the health and safety of the home. Must possess the necessary skills to write and relay work scopes to home owners as well as your support staff.

This is a wonderful long term opportunity for the right person. Excellent compensation and preset appointments are provided daily.

Call Energy Savers today at 315-437-3008 for you confidential interview. e.o.e

Job Type: Full-time

Salary: \$60,000.00 to \$80,000.00 /year
