

Company Name: Greater East Texas Community Action Program

Job Title: Energy Auditor

Location: Tyler, Texas

Contact: [kroberts@get-cap.org](mailto:kroberts@get-cap.org)

Phone Number: 936-645-6481

Perform comprehensive Home Energy Audits, analyze data, create work scopes with recommended improvements. Inspect existing homes for energy efficiency, air leakage, indoor air quality and HVAC combustion and safety testing using our diagnostic equipment. Install light bulbs, shower heads, and other energy efficient measures during the audit. Input data into the audit system to create accurate energy efficient measures to be installed into the home.
