

Healthy Home

Energy & Consulting, Inc.

Job Title: Healthy Home Expert

Description:

Healthy Home Energy & Consulting is looking for a dynamic, motivated and hard-working individual to fill its role as Healthy Home Expert (HHE). The HHE is responsible for conducting Building Performance Institute (BPI) certified energy audits, creating custom home energy solutions, and taking homeowners through a professional sales process. This individual is the first point of contact and face of the company to clients, which means that he or she must be articulate, trustworthy, organized, and detail oriented. We are looking for passionate and energetic individuals that strive to make a difference in the world and will thrive in a start-up atmosphere with plenty of growth opportunities.

Responsibilities:

- Conduct BPI certified energy audits and create custom home energy solutions using an energy modeling software program
- Meet with homeowners to present and sign agreements for custom home energy retrofit projects
- Manage client data information in the Healthy Home Customer Relationship Management (CRM) software platform
- Represent Healthy Home at community and industry events to drive customer acquisition
- Assist with various Healthy Home sales and marketing initiatives as needed

The ideal candidate should have:

- A positive attitude and willingness to learn
- Excellent communication skills
- Strong attention to detail
- A teamwork first mindset

One or more of the following preferred:

- 1-2 years of professional in-home sales experience
- BPI certified home energy auditing experience

Position Details:

HHE position compensation consists of base salary + commission and health benefits. Weekly workdays are Tuesday - Saturday. Must have valid driver's license and car. **Applications without a cover letter will not be considered** Please send a resume and cover letter to kbrenner@gethealthyhome.com
