

Function First Construction, a Flathead Valley owned and operated small family business is looking for a motivated and experienced Insulation Installer (loose fill/blow-in insulation in attics and walls) to work a flexible schedule independently. Brand new state of the art equipment, lots of contracts, just need the right person. Independent contractor preferred but not a deal breaker. Need more/less hours? Need some flexibly to attend school or training? Happy to work with the right person to make it happen. Pay from \$16-\$22 hour with room to move up and take on more jobs and responsibility. More skills than just insulation? Room to grow and develop in the company.

Ready to hire someone today!
