NEW STANDARD PROPOSAL

Date Proposed	
Proposer	

A proposal for a new standard or the update of an existing standard within the scope of the BPI Standards shall be submitted to the BPI Standards Manager.
 A proposal of a new standard or a revision to an existing standard may be made by any interested party.
IMPORTANT NOTE: Proposals without adequate justification risk rejection or referral to originator.
 Development of new standards shall only proceed after the BPI Standards Management Team has approved the work and the necessary resources have been put in place.

Proposal

(to be completed by the proposer)

Title of Proposed Standard (In case of an amendment, revision or a new part of an existing document, show the reference number and current title)

Standard for (complete title)

Scope of Proposed Standard:

This document does not purport to address all the health and safety aspects associated with its use. Anyone using this Standard has the responsibility to consult the appropriate authorities and to establish health and safety practices, in conjunction with any existing applicable regulatory requirements, prior to its use.
