Part 3 – Insurance Information

Please check the appropriate box(es) and include supporting documents

- BPI GoldStar Contractor has General Liability Insurance in the amount of 1 million dollars. BPI Inc., 63 Putnam St., Suite 202, Saratoga Springs, NY 12866 must be listed as a Certificate Holder.
Expiration Date: _____
- BPI GoldStar Contractor has Workers Compensation Insurance. BPI Inc., 63 Putnam St., Suite 202, Saratoga Springs, NY 12866 must be listed as a Certificate Holder.
Expiration Date: _____
- I attest that under the laws applicable to my service area, I am not required to carry Workers' Compensation Insurance.

*Please seek legal advice on the type of insurance coverage for your company.

*****If your insurance document provided at the time of this application expires before your annual renewal date, you will need to submit the most current document to keep your BPI GoldStar Contractor status active. If proof of continuous insurance is not provided, your BPI GoldStar Contractor status will deactivate as of the date the insurance expires. Updated proof of insurance must be submitted to GoldStar@bpi.org at least thirty (30) days prior to expiration.*****

Part 4 – Additional Documentation

Customer Dispute Resolution Policy:	Please see template on page 4. Copy & paste onto your company letterhead.
I attest my company has the necessary serviceable tools, equipment, and instruments available for conducting building performance contracting work and will complete the minimum Health and Safety standards according to BPI Standards when applicable.	

Part 5 – Certifications

The minimum requirement is a BPI Building Analyst, Building Analyst-Professional or Energy Auditor certification. Please list those candidates that hold either the Building Analyst, Building Analyst-Professional or Energy Auditor BPI certification below. If candidates hold additional BPI credentials, such as Heating Professional, Infiltration & Duct Leakage, etc., please check off the **Other BPI Credential** box.

Complete the following information and check the certification(s) that apply:

Name	BPI ID	Email	Building Analyst	Building Analyst - Professional	Energy Auditor	Other BPI Credential(s)

Customer Issue Resolution Policy

1. Customer complaints will be responded to by phone within 24-hours of receiving a complaint.
2. The customer shall be contacted directly by a Certified Professional or their Supervisor, depending on the nature of the complaint. Follow-up will not be left to administrative personnel.
3. Issues of an emergency nature shall be responded to immediately. Emergency repairs must be made immediately to ensure the safety of the client and the home. Emergency issues may include, but are not limited to any of the following: no heat calls in cold weather, suspected CO in the home, backdrafting of heating and/or DHW appliances, water leaks and/or broken pipes, no-cooling calls in very hot weather particularly for elderly clients.
4. Complaints shall be documented and included in the customer's file, including: the nature of the complaint, the name of the person responding to the complaint, the resolution of the problem, copies of all written correspondence related to the issue, and the dates and times of all client contact relating to the issue.
5. Follow up with complaints related to the quality of work, errors, omissions in construction or installation process and/or property damage shall include a site visit and inspection of the area in question. Photographs shall be taken of all areas identified in the complaint and kept on record in the client file.
6. Correction of improperly installed materials and repair of damaged property shall be completed based on mutual agreement of the client as determined by mutual agreement prior to completing the repair. Repairs that are completed prior to obtaining client approval may not be billed to the client.
7. All reasonable efforts will be made by the company to ensure a timely and fair resolution to all customers' issues.
8. In the unlikely event that a solution cannot be reached between contractor and the client, a standard arbitration process will be initiated. In an effort to avoid such an undesirable circumstance, the contractor will exhaust every reasonable measure to resolve the issue, including three attempts to achieve complete customer satisfaction.
