

Job Description Summary WiFi Installation Tech – Westborough

CLEAResult is hiring a Wi-Fi Thermostat Installation Technician to join our New England HES team to; install Wi-Fi thermostats in Mass Save participating homes, identify opportunities for instant saving measures, and verify proper energy saving measures eligible for rebates have been installed.

- Visit the homes of Mass Save Program participants as a follow-up to a Home Energy Assessment to install wireless-enabled thermostats.
- Assess the compatibility of existing heating and cooling equipment with a set of Wi-Fi
 thermostats. Inspect for complex wiring issues, tracing from component to source and making
 adjustments as needed.
- Educate customers on the benefits of compatible options then complete the sale and installation of the customer's chosen equipment.
- Work with cable installer and or router vendors to access security and document protocols.
 Register installed products with manufacturers' hosting systems via wireless connections.
- Identify opportunities for the installation of program related instant saving measures such as
 efficient light bulbs, shower heads, aerators or smart power strips. May install savings
 measures as program defines.
- Educate customers on the operation of installed measures.
- Complete sales transactions with a hand-held point of sale device.
- Verify that upgraded equipment installations meet the requirements of the Mass Save Program

Requirements:

- Ability to drive throughout the territory
- Electrical or HVAC knowledge
